1-YEAR FREE PREMIUM SUBSCRIPTION

Leaning Forward

The Department of Veterans Affairs, Veterans Experience Office, is excited to be partnering with LinkedIn's Military and Veterans Program to offer Fry Scholarship recipients and family caregivers currently participating in VA's Program of Comprehensive Assistance for Family Caregivers cutting edge resources and tools at no cost through a 1-year free premium subscription to LinkedIn with networking, employment, and learning opportunities.

This partnership provides access to a one-year upgrade to LinkedIn Premium at no charge, including free access to LinkedIn's online library of more than 12,000 LinkedIn Learning courses.

- Get advanced intelligence about how you compare to other applicants, including analysis of your education, experience and skills.
- Access free online training to develop new skills or refresh old ones, to eliminate any skills gaps between you and other applicants.
- Message those you may not already be connected to and build a professional network that will help you achieve your professional goals.
- Access LinkedIn Learning content for the military community, including training on transition from the military to civilian employment or student life, as well as training to support military spouses building their careers.
