**About the Virginia Department of Veterans Services (DVS):** The Virginia Department of Veterans Services (DVS) is a state government agency with more than 50 locations across the Commonwealth of Virginia. DVS traces its history to 1928 and the establishment of the Virginia War Service Bureau to assist Virginia's World War I veterans. Today, DVS assists veterans and their families in filing claims for federal veterans benefits; provides veterans and family members with linkages to services including behavioral healthcare, housing, employment, education, and other programs. The agency operates three long-term care facilities (with a fourth center opening in 2024) offering in-patient skilled nursing care, Alzheimer's memory care, and short-term rehabilitation for veterans; provides an honored final resting place for veterans and their families at three state veterans cemeteries; and operates the Virginia War Memorial, the Commonwealth's tribute to Virginia's men and women who gave the ultimate sacrifice from World War II to the present.
