

OUR RESIDENTS AND FAMILIES SAY IT ALL...

The second you walk through the doors, you can tell you are in a one-of-a-kind place.

— Annette, Reston, Virginia

It's definitely not the stereotypical nursing home. It is bright, open and airy with large rooms and many activities for the residents and their families.

— Vicki, Troutville, VA

From the start the dedicated staff has given dad the excellent care we know he deserves. Two years later we are still amazed that such a place exists.

— Donna, Salem, VA

I am deeply grateful for the stability and peace DMVCC provides not only to my father but also to me and the family.

— Wendy, Alexandria, VA

As difficult as it was to decide to have my husband cared for, it was the best decision. The caring personnel gave professional attention to my husband. This made it possible for me to leave him knowing he would be well looked after.

— Muriel, Roanoke, VA

We take great comfort in knowing Dad is receiving excellent care in a nurturing facility.

— Louise, Bethesda, MD

ADMISSIONS AND FINANCE

Eligibility requirements for admission include an honorable discharge from the U.S. Armed Forces and Virginia residency, either at the time of admission, or entry into the Armed Forces.

Did you know that DMVCC is anywhere from 40-60% less expensive than nursing facilities that are non-veteran centered?

DMVCC accepts payment from private insurers, Medicare and Medicaid.

Most veterans also qualify for the VA per diem facility credit.

DMVCC is your pathway to a happy and healthy future. We would be honored to help you through this process. Schedule a tour or call to speak with an Admissions Specialist!

Are you a spouse of an Honorably Discharged Veteran? You may also be eligible for short term rehabilitation services at the DMVCC! Call and speak with an Admissions team member to learn more!
